<b>Event Organized by</b>	Ad Astra Club
<b>Speaker / Tutor</b>	Mr. Aditya Waingankar Miss Madhura Garge Mr. Raj Padval Mr. Dhananjay Chaudhari
<b>Volunteers</b>	Core Members of Ad Astra
<b>Attended By</b>	Students of Junior College, Kirti
<b>No. of Participants</b>	~200
<b>Topics:</b>	Introduction to AI, Real-life Uses of AI, AI in other fields
<b>Rules:</b>	1. Maintain Discipline 2. Do not create disturbance
<b>Summary:</b>	The Ad Astra Club were in complete awe when they saw students from class 11 and 12 of Kirti college were so capable of understanding Artificial Intelligence. Students were thrilled to learn a technology and were motivated to make use of AI in day-to-day life . The speakers were able to provide enough information about AI and its real-life implementation. The speakers gave enough information about AI tools and how AI can be used to ease human workload.The speaker was able to cover and deliver an amazing seminar in very simple and understandable language. The session was definitely a success!

<b>Feedback</b>	The students were excited about their future and what it holds. They were amazed when they saw so many real-life solutions using AI. They are ready for another such session.
