Topics:	Engineers Day
Rules:	1. Maintain Discipline.
Summary:	<p>The Engineering Community across India celebrates Engineers Day on 15th September every year as a tribute to the greatest Indian Engineer Mokshagundam Visvesvaraya, popularly known as Sir MV. Sir M. Visvesvaraya is known for successfully designing and constructing several river dams, bridges and revolutionizing the irrigation system in India by implementing irrigation and drinking water systems.</p> <p>On this special day the FE Department celebrated Engineers Day by inviting honourable managing trustee Mr. Sunil Jadhav as chief guest, respected principal Dr. Sunil Chavan, respected vice principal Dr. V.P. Patil and respected HOD's and all the staff members. Mr. Sunil Jadhav (chief guest) addressed the students and advised them to take Dr M Visvesvaraya as their role model, be confident in their mission and sharpen their skills to meet the global industrial demands. Dr. Sunil Chavan encouraged the students to broaden their perspective and enhance their skills to be successful.</p> <p>Ms. Swapnali Jadhav and Mr. Aaditya Yadav (FE Students) were the speakers for the day and they justified to their level best with excellent oratory skills and sound knowledge about their respective departments. Many events were organized such as: a) speeches by delegates and students; b) documentary; c) dance performances; d) songs; and e) quiz. It</p>

was an open opportunity to all FE students to showcase their talents. Students with remarkable performances were awarded with saplings. The successful program ended with Vote of Thanks by Dr. Preeti Kaushal. Thanks to all FE Students and respected faculty members for making this event extravagant!!!
