**Garba (Navratri)**

Garba was organized at Smt. Indira Gandhi College of Engineering, Ghansoli, on 9th October, 2024 from 3:00- 5:00 PM in College Ground. This event brought together students, faculty, and community members to celebrate this vibrant and traditional dance festival.

The main objective of the Garba event was to promote cultural awareness and create a festive atmosphere to celebrate Navratri, a nine-night Hindu festival dedicated to the goddess Durga. The event provided participants with the opportunity to enjoy traditional dance forms, connect with their heritage, and experience the joy of the festival.

The event attracted over 80 students from diverse backgrounds. Many attendees participated in the dance, while others enjoyed the lively atmosphere and festive spirit. The rest of the evening was dedicated to dancing, where participants joined in the traditional circle formations, clapping to rhythmic music played by a live band or DJ.

The highlight of the Garba event was the energetic dance sessions, with participants of all branches joining in the traditional dance circles. The colorful attire, lively music, and the collective joy created an electric atmosphere. A special segment featured a “Best Dressed” competition, where participants showcased their traditional Garba outfits.

The Garba (Navratri) event was a grand success, bringing the community together to celebrate the cultural richness of Navratri through dance and music. The event fostered unity, joy, and a deeper appreciation for Indian traditions. Feedback from attendees was overwhelmingly positive, with many expressing their excitement to participate again next year.
