Activity Title	"Git Together" (Git and GitHub)
Date	26 th August 2024
Venue	Seminar Hall, 3 rd Floor
Faculty In charge	Aasha Kantekar
Audience	All Students (SE, TE, BE)
Total Participants	90
	Students interested in learning about Git and GitHub are invited to attend the educational session "Git Together". This talk, which will be led by an experienced speaker, will go over the fundamentals of version control, the value of teamwork in coding, and useful advice for making the most of Git and GitHub. Participants will learn about standard procedures, efficient project management techniques, and best practices. Come learn how to use these effective tools for your development projects and improve your skills!
