DESCRIPTION OF THE EVENT:-

This technical quiz is designed to challenge student's understanding and provide fun learning. The Technical Quiz Competition was held on 29 August 2024, organized by the CSE (CSBC) department at Lab – 405, 406, 407.

Objectives: The primary objectives of the quiz competition were:

- To encourage learning and knowledge enhancement in the technical field JAVA.
- To promote a competitive spirit among students/participants.
- To create an engaging environment for knowledge exchange.

Participants: The competition saw 40 active participation from various computer science branches like CSE(AIML), CSE(AIDS), CSE (IoTCSBC) etc

Format of the Quiz: Web application was developed by SE students Sandesh Bramhane, Omkar Sonawane. The quiz includes 40 questions covering the entire syllabus of Skill lab OOPs syllabus. To make it challenging, questions included Programming base along with theory questions. All questions are multiple choice. In 20 mins students have to solve 40 questions.

Judging and Evaluation: The quiz result was autogenerated by a web application developed. Scoring was based on:

- Correctness of answers.
- Time taken to respond.

Winners: After an intense and competitive question series for 20 mins, the participant who scored maximum is the winner.
