TOTAL PARTICIPANTS	48 +	
DESCRIPTION	An expert talk on “AI Innovations “ was organised by AI Techies Club in collaboration with SIGCE IIC on 08/01/2025. It was meticulously curated by Mr. Sandeep Wagh. He provided a comprehensive foundation for the understanding and setting the stage for in-depth exploration. His session seamlessly connected theoretical concepts to real world scenarios , providing a holistic understanding for all attendees. The diverse audience , comprising students from 2nd to 4th years, actively engaged in the talk, showing commendable enthusiasm. The Q&A at the end of the session added an interactive and enjoyable element to the learning experience.	
OUTCOMES	1. Ability to understand the futuristic AI real world applications.	
	2. Ability to apply the right AI tools in the development of real world applications.	

	3. Apply AI knowledge gathered to understand the domains where innovative design and solutions could benefit the society and environment.	
	4. The expert talk was very well received .	
	5. Students actively engaged in the session with commendable enthusiasm and interacted well with the speaker.
