Event Organized by	Ad Astra Club
Led by	1. Sayli Chorghe 2. Nikita Verma 3. Diptimai Sahoo
Volunteers	Core Members of Ad Astra
Attended By	Students of S.I.G.C.E.
Objectives:	1. To provide a platform for the participants to present their ideas. 2. To provide the opportunity to network like minded people. 3. To improve public speaking and presentation skills. 4. To conduct a healthy technical competition in the campus.
Rules:	1. There will be two rounds of this competition. 2. In the first round, participants need to submit their abstracts of the idea in a word document. 3. In the second round, participants will have to present their presentation of the idea in front of judges. 4. The winner will be decided on the basis of scoring done by the judges.
Judges:	1. Prof. Sonali Deshpande (HoD) 2. Prof. Sarita Khedikar (Club Mentor, Teacher In-charge) 3. Prof. Bhagyalakshmi 4. Prof. Anjali Patil
Round 1 Participants:	10+ participants
Round 2 Participants:	7 Participants
Winners:	1. Chetan Choudhari (S.E IoT)
Summary:	The Ideathon 2023 was conducted by **Ad Astra Club**. This is to provide an opportunity to various students to present their ideas and improve their presentation skills. The ideathon was conducted in two rounds. In the first round, participants have to provide the abstract of their ideas through google forms. The selected abstracts will be allowed to proceed for the second round.

	In the second round, the participants have to present a ppt presentation of their idea and have to present their idea and the theory in front of the Judges. There were 10 entries for round 1 and 7 participants in round 2. Everyone did their best and the judges along with the audiences were thrilled by unique ideas presented by all the participants.
Photos:	
Feedback	Students were excited regarding the activity and that they are going to get a platform to showcase their skills on.
