Tech Fest Event

Report

Name of Event: AutoCAD Master's Challenge

Date: 26th September 2024-25

Venue: Lab 615

Time: 12PM onwards

Short Description about the event:

Enlightenment 2024-25 introduces "AUTOCAD MASTER'S CHALLENGE".

Engineering Drawing is called the universal language of Engineers. Drawing in Engineering is away to communicate the details of a product or structures either by hand or with AutoCAD software. The entry fees of AutoCAD event was 10/- per person. The prize pool for this event for the first is 1000/- and the second prize is 700/-. Auto CAD is a 2D computer aided design (CAD) software application, which allows the creation and modification of geometric models with an almost infinite capacity to develop all type of structures and objects.

Test your imagination power and CAD skills here.

It's going to be a great opportunity to share your talent and fluency in Operating AutoCAD.
