Industrial Visit

Activity Title:	Industrial Visit
Date:	20/01/2025
Venue:	GROK Pvt Ltd. Amba Bhavan, Near Bharat Petroleum Corporation Ltd, Sion West, Mumbai, Maharashtra- 400022
Purpose:	To provide students with an insight into the working of an industrial organization. To learn about the technology and machinery used in modern industries. To foster student-industry interaction for better career guidance.
Audience:	Students from T.E and S.E AIML
Total Participants:	30 participants
Activity Performed:	A brief introduction about the company, its history, products, and services was provided. Students were taken on a guided tour of different projects done by the company. After the tour, a session was held with key personnel, who explained the company's processes, challenges, and advancements in technology. Students were given the opportunity to ask questions. The industry professionals also discussed career prospects within the industry, internships, and the required skill set for future employees.
Activity Outcome:	Students were able to observe real world project giving them a better understanding of how theoretical concepts are applied in practice. The visit highlighted the latest technological tools and machinery used as well as how automation and innovation have impacted efficiency. The session also touched on the challenges faced by the industry such as competition, and sustainability. Students learned about various career paths and the skills needed for success in the industry, with an emphasis on the importance of technical expertise, problem-solving, and communication skills.
Feed Back:	<div> <p>1. How would you rate the overall experience of the industrial visit?</p> <p>28 responses</p>  <ul style="list-style-type: none"> ● Excellent ● Good ● Average ● Poor </div> <div> <p>2. How informative was the visit in terms of understanding the industry processes and operations?</p> <p>28 responses</p>  <ul style="list-style-type: none"> ● Very Informative ● Somewhat Informative ● Not Informative </div>
