Report

Orientation Day

Smt. Indira Gandhi College of Engineering, Ghansoli, organized an orientation program for the newly admitted BE students, their parents, honorable secretary of JNISTER Mr. Sunil Jadhav, hon. Vice President of JNISTER Mrs. Sharmishtha Jadhav, honorable Treasurer of JNISTER Ms. Ashvini Jadhav, respected principal Dr. Sunil Chavan, respected vice principal Dr. V.P. Patil and respected HOD's and all the staff members in seminar hall (ground floor) on 16th September, 2025 from 9:30-1:00 PM.

Dr. Sunil Chavan, principal of college explained about the institute, which included the history, reputation and motto of college along with great achievements. They also focused on miscellaneous affairs of the institute, for example, financial aid and scholarships, student welfare, and code of conduct. In addition to it, honorable managing trustee Mr. Sunil Jadhav elucidated the audience about various societies and clubs active in college and their roles. Moreover, Dr. Sandhya Mathur (HOD FE department) who welcomed the students and gave them an introduction regarding the academic disciplines (attendance, library, unit test, assignments, and final exam).

Hence, the major objective of the program was to make the parents and students aware of the following points such as: a) to bridge the gap between students & faculties; b) to aware the students about the college culture and inform the students about the code of conduct; c) to prepare the students about their career goal & how to work on it; d) to involve and learn about the career development process and develop their skills; e) to create awareness among about the various co-curricular and extra activities helps the student for their overall development; f) to create awareness among students about the professional etiquettes; and g) to promote the students for enhancing their skills & learn about the various innovative ways to enhance their career.

The day was closed on a positive note by wishing students a bright future ahead!!!
