Seminar Report

“Skilling Managers for Professional Success”

Conducted by: *Konkan Railway Corporation Limited*

Date: *25th September 2025*

Time: *11:30 a.m. – 12:30 p.m.*

Organized by: Department of Electrical Engineering

Venue: Computer Lab

Audience: Faculty Members and Students of TE, BE

A seminar on “*Skilling Managers for Professional Success*” was organized by **Konkan Railway Corporation Limited** on **25th September 2025** in the **Seminar Hall** of the institute. The session was conducted by **Mr. Mishra**, a distinguished professional from Konkan Railway, and was attended by around **60 students** from various departments. The seminar took place from **11:30 a.m. to 12:30 p.m.** and aimed to enhance students’ understanding of the essential managerial and professional skills required for success in their future careers.

Mr. Mishra began the session by emphasizing the importance of developing both technical and soft skills in today’s competitive work environment. He explained how effective communication, leadership qualities, teamwork, time management, and adaptability are key components that contribute to professional growth. The speaker shared valuable insights from his own professional experience at Konkan Railway, highlighting real-life examples of how strong managerial capabilities can make a difference in organizational success.

The session was highly interactive, with students actively engaging in discussions and asking questions related to leadership, project management, and workplace behavior. Mr. Mishra encouraged the participants to focus on continuous learning, self-discipline, and the cultivation of a positive attitude toward challenges. His practical tips on personal development and professional conduct were well appreciated by the audience.

The seminar concluded with a vote of thanks to **Mr. Mishra** for his informative and inspiring talk. The event proved to be a valuable learning experience, helping students gain a better understanding of the skills and mindset required for professional excellence. Overall, the seminar was a great success and contributed significantly to the students’ knowledge about managerial competencies and career preparedness.

The program was attended by **9 faculty members** and **60 students** from Third Year (TE), and Final Year (BE) of the Electrical Engineering Department. Participants actively interacted with the speaker and clarified their queries related to the program.

At the end of the session, **certificates of participation** were distributed to all attendees. The event was well-received and appreciated by the participants for its relevance and practical insights.

The program concluded with a **vote of thanks** proposed by student, expressing gratitude to the guest speaker, faculty, students, and the management for their support and encouragement in making the session a success.
