TRAINING AND PLACEMENT CELL

SR. No.: SIGCE/T&P/Notice/2026-27/04

Date: 11/08/2026

NOTICE - Cybersecurity Bootcamp

The Training & Placement Cell is pleased to organize a Two-Day Cybersecurity Bootcamp in association with the Data Security Council of India (DSCI).

- ✦ Program: Cybersecurity Bootcamp
- 🤝 In Association With: Data Security Council of India (DSCI)
- 🏠 Mode: Offline (On Campus)
- 📅 Dates: 13th & 14th August 2026 Venue :- SIGCE

Designed by the Data Security Council of India (DSCI), this bootcamp provides practical, hands-on cybersecurity training and real-world exposure to industry tools and techniques, helping students build industry-relevant cybersecurity skills.

Key Benefits for Students

Direct learning and mentorship from DSCI
Exposure to industry-relevant cybersecurity tools, techniques, and real-world scenarios
Practical, hands-on training rather than only theoretical sessions
A Certificate of Participation will be awarded to students after successfully completion of assessment test.
Students who qualify for the assessment will also get the opportunity to participate in interviews during the Job Fair.

- Note: - 1. Passing Criteria will be decided by DSCI.
2. **The students who have registered for the bootcamp should bring their own Laptop well charged and should have VMware/ Virtual box for creating VMs.**
3. Pre-Requisite VMs before the bootcamp – Kali Linux

Pre-Requisite before Bootcamp: -

1. Should have knowledge of Linux-based Commands.
2. Basic Understanding of OS, HDD and its Components.
3. Basic Understanding of Networking.
