Department: CSE-IOT

Activity Title	A demo session on Smowcode- a new coding language for IOT
Date	17/01/2025
Venue	Lab 403, 4 th floor
Faculty In charge	Prof. Aasha Kantekar
Resource Person	Mr. Deep Tank
Audience	All Faculties
Total Participants	30
Description	"The Department of IoT at CSBC successfully organized a comprehensive demonstration session on Smowcode, a new coding language for IoT. Held on January 10, 2025, from 10:00 AM to 1:00 PM in the 4th-floor lab (Room 403), the event was specifically designed for faculty members teaching IoT subjects. The sessions provided invaluable practical experience with Smowcode programming, encouraging active participation and direct knowledge acquisition. The engaging nature of the event was widely appreciated, offering an enriching learning experience."
