

Path to Smart India Hackathon [12/08/2026]

Event Title: Path to Smart India Hackathon

Event Date: 12th August 2026, 11:00 am to 1:00 PM

Venue: Room No 515

Event Incharge: Prof. Vaishali Yeole

Guest:

1. Dr. Ankush Pawar (Associate Professor, Computer Engineering,
Anjuman I Islam's Kalsekar Technical Campus, School of Engineering & Technology,
New Panvel)

Target Audience:

1. Computer Engineering Students.
2. **Description:** Computer Engineering Department of Smt. Indira Gandhi College of Engineering organized an event titled “Path to Smart India Hackathon” on 12 August 2026, in association with IIC (Institution’s Innovation Council).
The session was conducted by the Hack Club to create awareness about the Smart India Hackathon and encourage students to participate. The guest speaker for the event was Dr. Ankush Pawar, Associate Professor of Computer Engineering at Anjuman-I-Islam’s Kalsekar Technical Campus. He guided students about hackathon opportunities, problem-solving approaches, innovation, and effective project development. The event was coordinated by Prof. Vaishali Yeole, who facilitated the successful organization and execution of the session. Students actively participated and gained valuable insights into developing innovative, technology-driven solutions for real-world problems. Overall, the event was informative and inspiring, motivating students to explore innovative ideas and participate confidently in the Smart India Hackathon
