

JNIESTR TRUST'S
**SMT. INDIRA GANDHI COLLEGE OF
ENGINEERING**

An Autonomous Institute with NAAC 'A' Grade
Approved by AICTE, Affiliated to the University of Mumbai

**DEPARTMENT OF COMPUTER SCIENCE AND ENGINEERING –
ARTIFICIAL INTELLIGENCE AND MACHINE LEARNING**

SR. No.: SIGCE/CA/ NOTICE/2026-27/10

Date:13/8/26

NOTICE

All SE students of the Department of Artificial Intelligence & Machine Learning are hereby informed that the department is organizing a seminar on:

“Introduction to GitHub – Version Control and Collaborative Software development”

Time: - 3.00 pm to 5.00 pm

Venue: - lab 316

Topics to be Covered:

- Introduction to Git and GitHub
- Importance of Version Control
- Creating and Managing GitHub Repositories
- Basic Git Commands
- Ethical Use of Code and Open-Source Resources
- Introduction to Docker and containerisation.
- Advantages and limitations of Docker
- Docker in software development and deployment.

The seminar will help students develop practical skills in version control, collaborative development, technical communication, project management and continuous learning, which are essential for academic projects and future industry careers.
