

SR. No.: SIGCE/CSE AIML/NOTICE/2026-27/

Date: 30/09/2026

Notice

All **SE, TE and BE students** of the Department of **CSE-AIML** are hereby informed that they are expected to maintain the required attendance as per the rules and regulations of the Institute. Students are also encouraged to actively participate in various **technical events, competitions, workshops, hackathons, paper presentations, project exhibitions, coding competitions, sports/club activities and other approved co-curricular extracurricular activities and Value-Added programs** organized by the Department, Institute or recognized external organizations.

To encourage students to participate in such activities while maintaining their academic attendance, the following attendance compensation provision will be considered, subject to submission of valid participation/winning certificates and verification by the Department:

Achievement	Attendance Compensation
Participation in an approved technical/club activity or competition	2 lectures per Subject
Winning/achieving a prize or recognized position in a competition	4 lectures per Subject
Value added program (5 days)	5 lectures per subject

Important Guidelines: -

1. Students must submit a **valid participation/winning certificate or other authorized proof** to the Department Activity In charge in the link provided <https://forms.gle/MJKWJ5PRZPaqdEx6>
2. The activity must be approved/recognized by the **Department/Institute or an authorized external organization.**
3. Attendance compensation will be granted only after verification of the student's participation/achievement at the end of semester.
4. The attendance benefit is intended to **encourage active participation in technical and club activities** and does not exempt students from maintaining the prescribed minimum attendance.
